Dear Wes:

It has been a pleasure working with you on the upgrade of the exterior façade of our office building at 27 Carlton Street.

We are pleased with the workmanship, there were very limited additional costs and the job was completed **ahead of schedule**. Any issues that arose were dealt with promptly and we appreciated your efforts to minimize inconvenience to our tenants.

We would not hesitate to recommend your work and look forward to doing business with you in the future.

Sincerely,

Jill Kamin
