Dear Wes,

I wanted to thank you for the exceptional quality of work and service PCM Pyramid provided our recent renovation project.

We recently contracted PCM Pyramid Construction to completely refit our new offices.

The project began in January 2006 and was completed in early March.

Your staff and sub trades were wonderful to work with. Our project was completed on schedule and on budget. We were constantly kept informed of progress and problems concerning the project.

Our new offices have greatly improved the way we do business and we could not be more pleased with the results.

I would, without hesitation, recommend PCM Pyramid Construction Management to anyone looking to build or renovate.

Sincerely,
